DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submissions filed on 18 October 2007 and 25 October 2007 have been entered. Claims 16-21 are pending.

Affidavits

2. The affidavit filed on 18 October 2007 under 37 CFR 1.131 is sufficient to overcome the Shimizu reference.

Allowable Subject Matter

3. Claims 16-21 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Claims 16-21 are allowable over the prior art for at least the reason that the prior art fails a microscope including a light source, an objective, a field stop projection lens, a digital micromirror, a reflection mirror, a shutter, a dichroic mirror, an excitation filter, an absorption filter, a camera, a monitor, a drive controller and a computer arranged and cooperating in the manner as particularly recited in the claimed combination.

It is noted that the applicant has supplied a statement of common ownership (filed 25 October 2007) as well as the affidavit under 37 CFR 1.131 which removes the Shimizu reference as prior art under 35 U.S.C. 102(a) and 102(e).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
